## BOOK SYNOPSIS

---

**From the #1 *New York Times* bestselling author of *Regretting You*, *Verity*, and *It Ends with Us* comes a hauntingly seductive tale of love, control, and the devastating secrets that can destroy it all.**

When Tate Collins moves in with her brother, the last thing she expects is to collide with Miles Archer, a brooding pilot with an unrelenting grip on his past. Their attraction is electric, undeniable, and all-consuming—but Miles has rules. No questions. No future. A no-strings arrangement seems simple at first, but a deep, shattering truth lurks just beneath the surface.

Tate soon realizes that Miles is not just guarded but fractured. Torn between desire and self-destruction, his pain bleeds into every part of their dynamic. Miles's past hides horrors that threaten to rip apart the fragile connection they've created, and Tate is forced to make a choice that will change both their lives forever.

With suspense simmering underneath every moment of passion, *Ugly Love* is a whirlwind of lust, heartbreak, and dark revelations that build to a stunning crescendo. For those drawn to the raw tension and psychological complexities of *Verity*, this is a riveting story where emotions erupt, secrets fester, and love may not be enough to heal the deep scars etched into the past.

## REVIEWS AND PRAISE

---

"Only Colleen Hoover can pack that much brilliance into one novel." - **#1 *New York Times* Bestselling Author of *Beautiful Disaster* Jamie McGuire**

"Hoover builds a terrific new-adult world here with two people growing in their careers and discovering mature love." - ***Booklist* (starred review)**

"A must-read book of the year! I loved every word, I felt every moment, and I will never forget this story. I don't give out a lot of 6 star ratings (in fact this will be the first one I've given this year) but the truth is that this book went above and beyond. The story was powerful, the writing was stunning, and the way every single piece of it was woven together was simply breathtaking." - ***Aestas*, blog review**

“By the end of this book, my heart was aching and rejoicing at the same time from the countless emotions it had been exposed to. This is the sexiest, most heart-wrenching Colleen Hoover book to date—a book that shows us a brand new side of this author’s writing genius, and it is in my humble opinion, her best work thus far.” - ***Natasha is a Book Junkie, blog review***

“I fell in love with this book from the very first chapter.” - ***Owl Always be Reading, blog review***

#### **\*A NOTE ON AGE RANGES**

---

A publisher-suggested age range covers the gamut of readers that publishers envision using the book, whether for independent reading, family sharing, group study, or in other ways. Educators have the best sense of the appropriate age range for the diverse learners they work with and understand these ranges vary depending on a book’s intended use.
