REVIEWS AND PRAISE

★ "Maas has a gift for crafting fierce female protagonists.... An epic shoutout to all the bad girls who know how to have fun." —*Kirkus Reviews*, Starred Review

"Best-selling Maas expertly brings DC's classic super-villain to a modern-day Gotham City.... Maas's Catwoman has the perfect amount of talent, cunning, and drive to make her a delicious protagonist surrounded by strong, well-known characters like Harley Quinn, Poison Ivy, and Batwing." —*School Library Journal*

"Selina is a flawed, complex, character.... [and] diverse characters are featured throughout.... The story starts out gritty, becoming less so as it unfurls, but readers will not forget where Selina started." —Booklist
