BOOK SYNOPSIS

Grandad and Milly are back for another adventure, this time honoring the past and celebrating the future with a pride parade. This heartwarming tale continues to wonderful journey that began with the Stonewall Honoree, British Book Award winner, and Waterstones Best Illustrated Book, Grandad's Camper.

After Milly discovers a pride flag in Grandad's attic, this adorable pair are motivated by the past to start a pride parade in their small town. Activism and celebration go hand in hand as the town gathers to help "build a world where everyone is proud to be themselves." This beautiful follow-up to *Grandad's Camper* is filled with heart and purpose.

"Bustling, bright-hued images with a rainbow motif show the intersectionally diverse community-portraying people of varying abilities, body types, gender expressions, and skin tones-preparing for the event, giving each page a celebratory vibe. In this gladly intergenerational view of Pride, Woodgate's sequel to Grandad's Camper offers a familial portrait that twines past and present."
